The Tarboro' Southerner. How Red Hot Iron May be night when, upon Boiling's Island, in Thursday, - - November 2, 1871.

A Kiss at the Door. We were standing in the doorway-Fell down so silently, A small white hand upon my arm, What could I ask for more

Than the kindly glance of loving eyes, As she kissed me at the door? know she loves with all her heart The one who stands beside! And the years have been so joyous Since first I called her bride! We've had so much of happiness ed and Orders Attended to with Fidelity and But the happiest time of all was Since we met in years before, When she kissed me at the door.

Who cares for wealth or land or gold Or fine, or matchless power? It does not give the happiness Of just one little hour With one who loves me as her life-She says she "loves me more"-And I thought she did this morning, When she kissed me at the door.

At times it seems that all the world, With all its wealth and gold, Is very small and poor indeed Compared with what I hold! And when the clouds hang grim and dark, I only want the more Of "one" who waits my coming step To kiss me at the door,

If she shall live till age shall scatter The frost upon her head, know she'll love me just the same As the morning we were wed; But if the augels call her And she goes to heaven before, shall know her when I meet her, For she'll kiss me at the door.

neared to be more effectual in these to dinner." The Condition of Paris. increased. He then determined on tenance "about that little account. There is some stirring in the streets and some feeble strivings after pleasure -in the daytime, at least, for at night after this found that the hot iron not to ask a fellow. the streets are deserted.
